

A Message from the PTA President
Re: Membership August 2007-2008

Dear Lafayette Families,

Welcome back to school and for new families –welcome to the Lafayette community!

My name is Stephanie LeBeau and I will be serving my second term as PTA President this school year.

I would like to invite you to make a difference in the education and quality of your child's school experience.

The Parent Teacher Association is unique because:

- It has not lost its focus for over 100 years – **every**child.**one**voice. Lafayette has been an organized unit of the National PTA for 82 years!!
- It demonstrates how one person (YOU) can make a difference by working with others and within the PTA network.
- It provides an opportunity for and promotes family involvement.
- It recognizes the diversity of the people it serves.

It provides an opportunity to promote student enrichment programs that Parents value.

We realize how important your children are to you and that you want the best for them. The PTA can help you achieve that! We all know children learn more and have better lives when parents, school staff, students and the community work together.

The PTA can bring these groups together to share thoughts and ideas about programs and activities that benefit children.

There is strength in numbers...become a member today and join the team!

We are truly a village for the greater good of our children. I look forward to meeting you and to an even brighter 2007-2008 school year!

cheers,
Stephanie LeBeau
PTA President
